## Forthcoming Activities

### International ICT Expo 2008

We will participate in Int'l ICT Expo 2008 to be held from 14th to 17th April on Hong Kong Convention and Exhibition Centre Hall 5. Our booth number is **5M11**. The Expo shows the application and development of Information and Communications Technologies in various areas and is a good way to reach professionals in the field and public in community. We will exhibit the products and services of BCS to members and community so as to enhance the professional status of our members.

### Seminar on Getting IT to Deliver Business Value The Next Generation of IT Service Management

(Co-organized by BCS UK and BCS HKS, Supported by HKTDC)

The Hong Kong Section is organizing the above seminar as part of the events in International ICT Expo 2008. We are glad to have speakers to share with us IT standards and service management best practices. Please schedule yourself to attend the seminar on 16 April 2008 (Wednesday) at 11:00am - 12:30pm in room 402, HKCEC. The event details are available [here](#). Online registration is available via this [link](#).

### A UK View of Business Intelligence and Security in Retail and Logistics Seminar and Reception

The British Consulate-General in Hong Kong and UK Trade & Investment (UKTI) are organising the above seminar and reception to be held on 31 March 2008. BCS (HK Section) is the supporting organisation of the caption. The objectives are to provide a snapshot view of UK's retail and logistic sector and share the latest technological developments in this arena. You are cordinally invited to attend the event for information and experience sharing. Please click [this link](#) for event details and registration.
