Appeal for Donations to the Victims of the Earthquake in Sichuan Activities

Dear Members of BCS(HK Section),

The disastrous earthquake in Sichuan has claimed lives of tens of thousands people and destroyed the families and homes of more in the affected areas. To help the victims of the earthquake, we appeal to all of our members to join the community-wide effort in offering donations for the earthquake relief.

Donations can be made through the arrangement of Hong Kong SAR Government by cheques payable to "The Secretary for Home Affairs Incorporated – Donations" or by cash paid at HSBC into the account number "502-256803-001". Please refer to the following government webpage for information:

You can also make donations directly to the Coordinating Centre for Relief in Fighting Against the Earthquake of the Central Government (中央抗震救災總指揮部) through a joint arrangement of the BCS(HK Section) together with other IT organizations and the Hong Kong Charity.

The donation is arranged via the "Foundation for Bridging Digital Divide in China" which is a tax-exempt charity recognized by the government. A receipt will be issued for tax exemption for donations of \$100 or more. Please refer to the following webpage for information:
