Forthcoming Activities

The 5th Pearl River Delta Software Industry Forum 14 - 15 Jan 2008

The Pearl River Delta Software Industry Forum (PRD Forum) is one of the industry cooperation initiatives under the Hong Kong / Guangdong Expert Group on Cooperation in Informatisation (EGCI). OGCIO of HKSAR and the Department of Information Industry of Guangdong Province (GDIID) organise it with an aim to explore the collaboration opportunities between Hong Kong and the PRD region in software development.

The PRD Forum was held four times previously: Hong Kong in April 2004, Zhuhai in December 2004 and December 2005, and Guangzhou in November 2006. Following the meeting of EGCI between OGCIO and GDIID, both parties agreed to organise the fifth PRD Forum in Hong Kong.

This 2-day event, namely "The 5th Pearl River Delta Software Industry Forum" (第五屆珠三角軟件產業合作與發展論壇) will be held on 14-15 January 2008. Members of BCS are cordially invited to join the Opening Ceremony on 14 Jan 2008 and/or other concurrent sessions on 14-15 Jan 2008. Please visit the official website (Chinese version only) for more information or online registration <http://itevents.hkpc.org/>. The Forum will be conducted in Chinese.
