

## ***The British Computer Society (Hong Kong Section)*** **BCS Mentorship Programme 2009**

The British Computer Society (Hong Kong Section) was established in 1990 as a local representation of BCS in Hong Kong. The Section has been active in the Information & Communications Technology (ICT) community and has participated in many ICT Events in the past years. It has maintained a very close and mutually respected relationship with other ICT professional bodies within Hong Kong and China.

The **BCS Mentorship Programme 2009** being organised by the Young Professionals Group of BCS (HKS) welcomes all tertiary education students or fresh graduates under ICT related curriculum.

### **Objectives**

1. To provide ICT students and fresh graduates with opportunities of better understanding of current business environment and future career development by meeting senior ICT professionals from different industries ;
2. To provide mentees with more exposure to different ICT fields (e.g. software development, network, operation, support and etc) as well as guidance to shape their professional development ;
3. To nurture a new generation of ICT professionals and promote sustainable development of ICT industry in Hong Kong.

### **Benefits**

- ✓ Acquire up-to-date information about today's working environment and ICT industry
- ✓ Receive guidance about career planning and professional development
- ✓ Obtain a Certificate of Accomplishment upon completion of this programme

***About the British Computer Society (BCS)***

*Established in 1957, BCS, The Chartered Institute for IT, promotes wider social and economic progress through the advancement of information technology science and practice. With over 70,000 members around the world, BCS is creating an IT profession fit to lead the information society. BCS is the qualifying body for Chartered IT Professionals (CITP) and is licensed by the Engineering Council to award Chartered Engineer status (CEng) and Incorporated Engineer status (IEng); and by the Science Council to award Chartered Scientist status (CSci). BCS is also a registered charity which was incorporated by Royal Charter in 1984.*
