Chairman's Message

Dear Members,

I am pleased to share that the BCS (Hong Kong Section) Annual General Meeting was successfully held in April 2020. With a humble heart and much gratitude, I am elected as Chairman for session 2019-2020.

On behalf of the new cabinet I would like to thank you for your ongoing support to the Hong Kong Section. As always we will do our utmost in advocating IT professionalism, both in our industry and in our younger generation. We look forward to a closer collaboration with different stakeholders in the coming year.

In the midst of COVID-19 epidemic we pray for health, solidarity and perseverance. Wish you good health and all the best.

Best Regards,

Mr. CHOI, Chi Man Peter
Chairman
BCS (Hong Kong Section)

BCS (Hong Kong Section) Membership Survey:

BCS (Hong Kong Section) Membership Survey

You are cordially invited to participate in a study conducted by BCS (Hong Kong Section).

The purpose of the survey is to build a more comprehensive membership list with more information (industry, occupation, rank etc.) also to ask about their area of interests (cybersecurity, blockchain etc.) and activities that they are interested in (seminar, webinar, visit etc.) The data will be used for membership promotion and service improvement on BCS (Hong Kong Section).

Please click [here](#) to take part in the survey.

Upcoming UK Events:

BCS Virtual Insights 2020

Date : 22-25 June, 2020

The physical event due to take place at The Crystal in London can't take place this year, but we can still bring 2020's line-up of inspiring and motivational speakers to you during a BCS Virtual Insights week.

We will be running four one-hour mini sessions over the course of a week from 2pm-3pm each day, delivered from our brilliant guest speakers and you too can take part and have your say via interactive polls, debate and Q&A.

Our speakers will examine 'Personal Responsibility' why it matters and the difference it can make for you, and your business, and we'll round up the week with a discussion on 'Emerging Change' addressing the new norm and its future impact for IT Professionals.

Plus, preview the very latest industry research from the Chartered Institute for IT, a digital copy of BCS Insights 2020, taking the best of our research conducted with IT leaders and professionals from our global membership community.

INSPIRE XXV International e-conference by Hampshire Branch

Date: 16 July, 2020

The 25th Annual INSPIRE Conference will be for the first time a free e-conference, to encourage entries from the UK and overseas.

INSPIRE XXV is the twenty fifth in an annual series of international conferences on improving the quality of teaching and training issues, organised by the BCS e-learning and the Quality Specialist Groups of the BCS, The Chartered Institute for IT. It attracts papers from international sources, covering several themes such as computational thinking, use of gaming in education, student engagement and employability, MOOCs, lifelong learning and case studies on how e-learning will be and is being used, at schools, colleges, universities and organisations during these difficult times.

There will be no conference fee for authors or remote attendees.
