BCS (Hong Kong Section) Supported Events

Build a Secure Cyberspace 2020 “Secure Use of Mobile Devices” Sticker Design Contest

Organiser: Hong Kong Computer Emergency Response Team Coordination Centre (HKCERT)

The Office of the Government Chief Information Officer, the Hong Kong Police Force and the Hong Kong Computer Emergency Response Team Coordination Centre have jointly organised “Secure Use of Mobile Devices” Sticker Design Contest (the Contest). The Contest aims to arouse the awareness of public on mobile device security and to encourage them to exercise care when using mobile devices. Participants could design a set of stickers, which could be used in instant messaging applications (e.g. WhatsApp, WeChat and LINE), in an innovative way to convey the message of taking precautions to protect mobile devices in this contest.

The Contest is divided into Open, Secondary School and Primary School categories. Each participant can enrol to only one of the categories and should submit only one entry. Participants shall agree and abide by all the rules and regulations of the Contest.

- **Open Category:** All Hong Kong residents
- **Secondary School Category:** All secondary school students in Hong Kong
- **Primary School Category:** All primary school students in Hong Kong

Application and Submission Deadline: **07 December 2020 (Monday)**
